Organization Profile

Pakistan Crescent Youth Organization (PCYO)

2011

Historical perspective:

Pakistan Crescent Youth Organization (PCYO) was initially established in 1971 as a sister body of the Punjab Red Cross Society under the title Punjab Red Cross Youth Society. When the Red Cross in Islamic countries was replaced by Red Crescent, then its title was also changed to Punjab Red Crescent Youth Society. In 1978, its scope was expanded to whole of Pakistan, its constitution was amended and it was re-named as Pakistan Crescent Youth Organization. Now it has an extensive network throughout Pakistan and working in close collaboration with the leading National and International organizations, UN agencies, European Union, Austrian government, other donors, Provincial government and government of Pakistan.

Mission Statement:

Pakistan Youth Organization (PCYO) will built Youth and Women Resource for Pakistan and shall make the socio-economic environment of Pakistan congenial for development and progress of children adolescents, youth (boys and girls) and women by undertaking suitable activities in educational, cultural, economic, sports, human rights, social, health, environmental and other sectors. The development shall be ensured on suitable basis giving equal opportunities to either gender from all the regions of Islamic Republic of Pakistan. All available human, financial and material resources will be streamlined efficiently for eradication of child labour and protection of child rights, poverty reduction, Enterpenueship developmant, literacy promotion, improvement of health, Empowerment of Most vulnerable adolescent (Boys/Girls) and socio-economic uplift of the neglected female citizens by eliminating gender gap through enhanced participation ensuring women rights, empowerment and rehabilitation.

Aims and Objectives:

- Establishment of Human Resource Development Centers (HRDC) AND Women Resources Development Centers (WRDC) Educational and Career Developments Centers (ECDC), Skill Development Institutes and Industrial Homes especially for young females.
- Establishment of Child Labour Rehabilitation Centers and Skills Training Centers for child labourers, street children and Vulnerable children.
- Promotion of Adult Literacy through Awareness Building and Establishment of Adult Literacy Centers.
- Organizing Youth Training Camps/Rallies, Musical Concerts, Sports Meets, Cultural Programmes and Youth Festivals in order to promote healthy activities amongst the youth.
- Promotion of Information Technology and job Oriented Computer Education.

Any person, who fills the required form, pays the required fee and undertakes to abide by the aims/ objectives and rules / regulations and constitution is eligible to become member of PCYO A life membership is granted on the payment of Rs5000/-
Governance structure:

Governance structure of the Pakistan Crescent Youth Organization comprises of the following set up.

1. **Supreme council:**
   
   Supreme Council is the apex body of the PCYO comprising of the most senior members including the founder members. The number of members of Supreme Council is around 25 taken from all Provinces of Pakistan, FATA/FANA and AJ&K. The Supreme Council is appointing authority and nominates the central office bearers, Provincial chairman, secretary general and district chairpersons. Supreme Council meets once in a year and reviews the progress and policies of Organization. It also settles disputes if any.

2. **Central Governing Body:**
   
   Central Governing Body comprises of 5 members of the Central Committee, 5 members from each Provincial Committee, 5 members from FATA/FANA Committee and 5 members from AJ&K Committee. The president has the authority to nominate 10 members of the governing Body from any part of the country.

3. **Central Committee:**
   
   Central Committee comprises of the office bearers at the federal level which runs day to day affairs of the Organization. It meets after every three months.

4. **Provincial Governing Body:**
   
   Provincial Governing Body comprises of 5 members of the Provincial Committee and 2 members from each District of the Province.

5. **Provincial Committee:**
   
   Provincial Committee comprises of office bearers at the provincial level and runs day to day affairs of the Organization. It meets after every 2 months.

6. **District Governing Body:**
   
   Districts Governing Body comprises of 5 members from each Tehsil of District and 10 members from the colleges in the District. The members of District Committee are also the member of the District Governing Body.

7. **District Committee:**
   
   District Committee comprises of Office bearers of the district and runs its day to day affairs. It meets after every month.

8. **General Members:**
   
   There are nearly 82,000 general members of PCYO all over the country and AJ&K.
9. **Boards of Directors:**

Board of Directors is the most powerful body of the PCYO which comprises of 21 members. BOD meets after every three months. Basic function of BOD is to monitor and examine the progress of the Organization, approve authorizations and provide technical and financial support for its development from time to time.

**Financial Management:**

PCYO accounts are transparent and there is a complete financial management system which controls the entire accounting system of the Organization. It comprises of Chief Account Officer, Account Officer and 2 Account Assistants. The Accounts of the Organization are audited by a team of Internal Auditors who are responsible to the BOD. The External Audit of the Organization is conducted every year. Last 15 years External Audit Reports are available at the office of PCYO. The accounts of the Organization are operated through Standard Chartered Bank and all the cheques are signed by the two signatories as approved by BOD. All the accounts are reviewed after every 3 months and an interim quarterly accounts statement is made and presented in the BOD. The PCYO files its Tax Returns regularly. Last 5 years tax returns of PCYO are available in the PCYO head office. The PCYO accounts are computerized with the proper internationally recognized accounting software. All the accounting entries are recorded on daily basis with all the supporting documents.

**Accountability Capacity:**

The setup of Organization is Democratic and all the programmers/projects and activities are approved and discussed in the respective Governing Bodies. The BOD reviews the progress after every three months and the Supreme Council discuss and examine the overall performance on a yearly basis.

**PCYO Expertise**

1. **CHILD AND ADOLESCENT PROTECTION**

   a) **Adolescent Learning for Life**: Children and the young people are the future of every country and most important resource. If this resource is wasted no country can make progress rather the social balance is distributed. Therefore the PCYO paid special attention to the adolescent and children under the age of 18 and provided them an enabling environment, awareness and keep them busy in healthy pursuits.

   During 2005 the PCYO undertook project with the help of UNICEF and demonstrated successful strategies to reach 7140 Peer Educators and 71,400 out of school Adolescent Boys in 200 communities in Lahore and Faisalabad district of Punjab Province. However, considering the local strength of the PCYO in Lahore, **during 2006 the UNICEF project** targeted at 3840 P.E’s and 38,400 additional adolescent in Lahore district alone with a major focus on Most of at Risk Adolescent (MARA) and Especially Vulnerable Adolescent (EVA) living in the defined geographical clusters where such groups of adolescent are commonly present.

   In the year 2007 it was agreed with UNICEF to totally focus on the most At Risk Adolescent (MARA’S). Under this intervention PCYO indentified 200 P.E’S and 2000 MARA’S and empowered them with knowledge and skills in such a way that they are now able to protect their lives and became useful members of the civil society. 10C.B-CPC’S were formed comprising of community representative like Corner Shopkeepers, Net café’s owners, Religious Leaders and Teachers etc. Referral programme for Affected MARA’S was started and about 220 Affected MARA’S were referred to Rehabilitation Centers and a successful attempt was made to help them recover from social stigma which they developed and got trapped due to lack of knowledge, awareness, empowerment and supervision.
In the year 2008 PCYO with the support of UNICEF Punjab Office focused on Most Vulnerable Adolescent in 15 Affected Union Councils of Lahore. Under these interventions 3,000 Most Vulnerable Adolescent in the district of Lahore 1500 Girls and 1500 Boys were empowered with knowledge and skills in such a way that they were able to state 5 basic rights of Children, 3 major child protection issues, 3 means of transmission of HIV infections, major Components of Communication skills and gender based violence, 3 important means where to access protective services in case of emergency. Affected vulnerable Adolescents are available in abundance in the Union Council/Community who needs proper services and Rehabilitation so that they could play an active role in the nation building process.

b) School Sanitation and Hygiene Education from School to Community UNICEF WASH Project 2009-2010.

In the year 2009-2010 the PCYO undertook the Project titled “School Sanitation and Hygiene Education Effecting Behavior Change from School to Community” in Tehsil Bhalwal of District Sargodha with the Support of UNICEF Punjab. Under this project PCYO targeted 200 primary schools(100 for Female and 100 for Male) and undertook the following activities.

1) 200 schools Councils were strengthened and made functional providing information to 1400 members of Schools Councils.

2) 200 Village Base Organization (VBO, S) involving the local community were formed and strengthened providing information to 78000 people at the community level

3) 3261 members of Village Base Organization identified, their forms were filled and regular meeting were held to empower and strengthened them on sanitation and hygiene and safe drinking water issues.

4) 50 community level meeting were organized, five by each social organizer and key messages on sanitation health hygiene, clean environment and basic health delivered including emphasis on importance of education.

5) 78250 members of the community were empowered on above referred key message.

6) 200 Child Health and Hygiene Clubs formed and strengthened who actively disseminated information about health and Health & Hygiene issues providing health & hygiene information to 18000 children.

7) Forms of 3824 members of CH&HC filled and regular events and activities of Health Clubs organized.

8) General information on importance of Hand Washing and personal hygiene was provided to 11393 students in 100 boys’ school and 12272 students in Girls school especially with reference to emphasis on importation of Hygiene Education.

9) 10 awareness programmes were organized in different village on Mother & Child Health Week. Issues like Breast Feeding, Safe Delivery, Compulsory Birth Registration child time immunization and Child Health Care were highlighted. These events were organizes in the month of November 2009.

10) Health Screening Events were organized which benefited the community a lot.

C) Juvenile Justice Reform Project 2009-2010

Yet another very important project which PCYO undertook in 2009-2010 with the support of UNICEF titled “Juvenile Justice Reform Project” under this very important initiative of UNICEF and Social Welfare Department, Government of the Punjab, the juvenile offenders were diverted and referred to the community for the social integration in two districts of Punjab, namely Lahore and Faisalabad.

The PCYO undertook the following activities under this project.

1) 141 juvenile were diverted from the Criminal Justice System and referred to the community for their social integration.

2) 650 Vulnerable Children likely to become Juvenile Offenders identified and empowered on the juvenile issues and their rehabilitation.
3) Formal Education Skills Training and Vocational Learning provided to juvenile offenders
4) 1200 community organization both male and female and made functional.
5) 1200 Community Leaders including local leaders, community representative and social workers empowered and sensitized on juvenile issues assuring their support for the diversion programme at the community level.
6) 120 Youth groups formed and empowered on juvenile issues and rehabilitation.
7) 200 children at risk of coming in conflict with law and Juvenile offender provided psycho social development sessions to stop offending behavior by professional psychologist.
8) Parenting skills were provided for family unification and social integration of juvenile offenders.
9) Most marginalized / vulnerable children & their families under diversion & restoration juvenile programme accessed social protection services of SWD facilitated by PCYO.

2) Experience in the field of Education

PCYO focuses a lot on the promotion of education at the grass root level. There is no second thought that without promotion of education, no country makes progress and no nation can survive. In the field of education the PCYO had undertaken the following projects:

(a) UNIVERSAL PRIMARY EDUCATION (UPE)
   The project was initiated with the support of UNICEF in Tehsil Daska of District Sialkot from 1998 to 2001. Within the span of three years 700 villages were touched and 100% enrollment was ensured. The village which achieved 100% enrollment, a special flag hoisting was organized and those who participated/contributed in this campaign were awarded shields and certificates of merit. Subsequent this initiative was replicated in number of other districts in the Punjab namely Rahimyar khan, Faisalabad, kasur, Bhawalnagar and Okara.

(b) UPGRADEMENT OF SCHOOLS:
   The public schools due to the financial constrains face a lot of gaps which hamper the education of the students. Under the Block Grant of EU, the PCYO identified gaps in twenty schools in the four districts of the Punjab namely Sialkot, Lahore, Faisalabad, and Bhawalnagar and upgraded these schools by providing furniture, teaching aids improving the sanitation conditions (latrine repairs), construction of boundary walls,(especially in girls schools) Provision of sports facilities etc.

(C) PCYO WELFARE SCHOOLS AND CHILD LABOUR REHABILITATION CENTRES:
   PCYO with the support of European Union established Child Labor Rehabilitation Centers in Lahore, Faisalabad and Kasur. Children were wiened out from the hazardous occupations and encouraged to join regular schools. Those who could not join the program due to the poverty were provided education in the evening as part time students. More than two thousand students were benefitted and passed primary class, many have done class X and joined college. These centers are made sustainable and continue to impart free education to the marginalized groups of children. Similarly in district Sialkot PCYO weined out Child Labour from Soccer Ball industry with the support of ILO and Unicef.

(d) ADULT LITERACY PROGRAMME: Illiteracy is a big monster in Pakistan and root cause of number of social evils. The literacy rate is quite low in Pakistan. Promotion of literacy is an important mission of PCYO. In the pastwith the support of Commonwealth Youth Programme, Asia centre, PCYO had established 74 adult literacy promotion centres. Nearly 1000 adult male and female were benefitted and they had learnt to write their Name, ALFABETS, few words in English, basic Mathematics and few Urdu lines: Number of some centre’s are still functioning under the banner of PCYO which were subsequently made sustainable.

(e) Meeting Educational Needs of the Flood Affected Children and Youth.

The 2010 devastating floods had shattered the educational network in number of districts in Punjab, Sind and KPK. PCYO in Pakistan with the help of its members, philanthropist’s, volunteers and experts established Temporary Learning Centers so that
the education of school going children is not disrupted in the flood affected districts. PCYO focused Muzaffargarh, Multan, Rahim Yar Khan and Jhang districts, hence helping the children to continue their studies and save their precious time.

3) EXPERIENCE IN THE FIELD OF HEALTH

Health is wealth and only healthy body has a healthy mind. No country can make progress unless and until its citizen possess good health PCYO had undertaken the following activities in this connection.

a) Free Medical Camp

PCYO has separate wing titled “Crescent Health Service” under this wing PCYO organizes Free Medical camps from time to time and a team of specialist doctors provide service to the poor patients free of cost. EYE CAMPS were also organized. The pregnant women are provided the facility of ultra sound free of cost.

b) Medicine Bank provides medicines to the poor patients free of cost. There are free dispensaries in Lahore, Faisalabad, and Kasur districts functioning under the banner of PCYO.

c) First Aid Training. The trained First Aid Master Trainers and trainers from time to time organize First Aid Trainings for housewives, students and industrial workers. Credible industries like Coca Cola, packages LTD, number of Textile industries are benefitting from this important training.

d) Polio Eradication Campaign: PCYO with the support of WHO and health department, Government of the Punjab had fully participated in the polio Eradication campaign in 2008, 2009 and 2010. PCYO has a pool of 56 trained community mobilizers who have undertake this campaign in various districts of the Punjab.

Awareness Seminars on Health Issues: PCYO from time to time organizes awareness seminars on

- Safe Mother Hood.
- Reproductive Health Rights.
- Mother and New Natal Health Care.
- Expended Programme for Immunization.
- Global Hand Washing Day

3) EXPERIENCE IN THE FIELD OF HIV AND AIDS:

PCYO is a pioneering organization which launched its awareness programme on HIV/AIDS with the support of health department Government of Punjab and also Government of Pakistan way back in 1992. PCYO also undertook a project with the support of WHO in the RED LIGHT AREA of Lahore conducting training and awareness on HIV/AIDS and STD’s. 749 prostitutes and sex workers were benefitted. PCYO with the support of UNICEF empowered 150 thousand adolescent on HIV/AIDS awareness in Lahore and Faisalabad. Every year on the occasion of International Day on HIV/AIDS, PCYO organizes seminars, awareness walks and talk shows. Capacity Building and Training Programs are also organized from time to time on HIV/AIDS for the members belonging to different youth organizations.

4) EXPERIENCE IN THE FIELD OF DRUG ABUSE PREVENTION:

Drug abuse is a serious problem in Pakistan. Nearly six million people are trapped in this menace. This monster has ruined family life of thousands of innocent people. PCYO had always focused on the drug abuse prevention and Demand Reduction Strategies. PCYO from time to time organize campaigns to create awareness amongst the general public on the harmful effects
5) CONSERVATION OF ENVIRONMENTAL AND TREE PLANTATION:

To save our mother planet from further damage PCYO had undertaken a lot of activities in this area. Keep your city neat and clean is a regular feature of this NGO. PCYO volunteers have planted large number of trees in various parts of the country. Awareness and tree plantation campaigns had been organized with the support of Forest Department Government of the Punjab. In schools and colleges PCYO established environmental clubs inculcating the importance of conservation of environment and saving the Ozone layer from further damage.

6) EXPERIENCE IN FIELD OF WOMEN EMPOWERMENT / RIGHTS:

a) Marketable skills training PCYO initiative: Imparting marketable skills training in the women resource development centers and training institutes is a regular feature of PCYO. The training sessions/Programmes in the area of marketable skills conducted are:

- Candle Making
- Stain Glass
- Panting
- Embroidery
- Etching work
- Computer courses
- Designing
- Tie & Die
- Fashion Designing
- Still Life / Sketching
- Recycling
- Pot Making & Painting
- Cutting & Tailoring

b) PCYO Skills Development Centres for Women

Currently PCYO has well established marketable Skills Development Centres at Lahore, Kasur, Faisalabad, Bhawalnagar, Vehari, Multan, Jhang, Sialkot and Rahim yar khan. In Chiniot district of Punjab PCYO has established sixteen Stitching/Tailoring domestic centres where women at their doors step undertake Stitching/Tailoring/embroidery assignment and make a living.

c) Young Women Entrepreneurship Training Programme:

PCYO believes in the Economic Empowerment of the women which also help them to stand on their feet socially with dignity and honour. In order to promote this Mission the PCYO organize training programmes for the development of young female entrepreneur. In this way PCYO had been successful in promoting Self-Employment. There are countless success stories. The
Skills Development Council which is an initiative of the Government of Pakistan and ILO, had signed an MOU with the PCYO and they certify the courses and Programmes which PCYO undertakes at different centres across the Punjab from time to time.

7) Experience in the field of Disaster Management and Natural Calamities Handling:

The PCYO has a vast experience in providing emergency relief services and undertaking Rehabilitation Projects with special reference to 1973, 1975 and 1988 floods in Punjab and 2010 devastating Floods that had hit almost all the provinces of Pakistan. PCYO had also played important role to help the IDP’s who were displaced due to terrorism and government initiative to curb terrorism. This assignment was undertaken with the support of UNHCR in FATA & KPK. When the terrible earthquake hit the Northern Areas and AJK in 2005 the PCYO was amongst those organizations which provided emergency relief services at the very initial stage and saved many lives. PCYO with the support of Japan platform supported the people of Muzaffarabad in rebuilding their lives after devastating earthquake which occurred in October 2005. The PCYO work in MuzaffarGarh Tehsil Ali pur and Rahim Yar Khan Tehsil Liaquatpur is worth mentioning. PCYO particularly focused on the educational needs of the flood affected students and schools which were partially or fully damaged. In the areas of Child Protection, Health and WASH, the services of PCYO in these flood affected districts are commendable.

8) Ongoing Projects 2010-2011

- Women Resource development Centers at Lahore, Patoki, Satiana, Chinot, Jhang, RahimYar Khan, Bhawalnegar and Sialkot
- Child Labour Rehabilitation Centers at Lahore, Patoki, Chinoit, Shamhatoo (Khaberpakhtoonkhaw)
