All Advisers: All Advisers are required to go through the Catalog, Adviser and Student Handbook which are recently updated.

Our objective is the reflection of the University’s mission:
To develop informed, ethical and responsible citizens who will move on to academic and professional SUCCEESS.

Effective Adviser focuses on the desired results and seeks successes for Advisees

Senior year
- To help students in developing their CVs, attend the Career Expos for the career opportunities and placement, and also exploring the higher education opportunities.
- To audit their Degrees so they could know their position and meet all the requirements to get their degrees on time.

Junior year
- To arrange an orientation for major students and help advisees know the requirement of respective major for timely completion of the degree.
- To help them in developing and following their Road Maps in order to meet the degree requirements.
- To do an initial degree audit that they may complete their degrees in time.
- To assist Advisees in exploring the career opportunities within their respective Major.

Sophomore year
- To help advisees in polishing their aptitude and decide major accordingly and to explore higher education and career opportunities.
- To motivate Advisees to visit the information desks to explore different Majors offered at FCC.
- To assist Advisees to make meaningful and well-defined academic plans.
- To help Advisees in declaring their major confidently in accordance with their intended choice of career.
- To advise them to get through the competency exams.

Freshman year
- To help Advisees in understanding the 4-year Degree requirements in particular the General Education Requirements.
- To assign advisees an out of class assignment on making tentative academic Road Maps in particular General Education Plan.
- To maintain necessary records of their Advisees which they need to handover to DOS during sophomore year.
- To assist Advisees in Self-Exploration.

Adviser’s role is to: help, assist, motivate and enable his Advisees that they may develop meaningful academic as well as life plans.
