Those students who want to pursue their graduate studies (MS/MPhil/PhD) in economics, they must take some statistics and mathematics courses as Free Electives.

“A” level students with economics background are exempted from Econ 100 (Basic Economics), whereas other students are supposed to take this course prior to 5<sup>th</sup> semester. Business Students may take this at Freshman level before BUSN 121 & 225. They are not allowed to register it after BUSN 121 &/or BUSN 225.
