

The Academic Advising Center (AAC) is here to help you on your path to graduation. Beginning with newstudent orientation and continuing throughout your time at FCC, our goal is to help students resolve issues that may prevent them from graduating on time. We can help you with degree audits, provide guidance regarding courses and roadmaps and direct you to appropriate office for nonacademic issues.

Do you need to take a semester off or withdraw from a semester? We can help with that.

Have you done poorly in a course or a semester and need to know how to restore your CGPA? We can help with that, too.

Do you just feel lost and confused and don't really know what to do or who to ask? Come see us. We can help!
