FEROZEPUR ROAD, LAHORE, 54600**

**PRE-QUALIFICATION OF CONSULTANTS**

Forman Christian College (A Chartered University) a premier educational institution intends to carry out an electrical design project “Master Electrical Plan” for the rehabilitation of existing power distribution system. Applications are invited from consultants registered with PEC wishing to take part in this development project. The major project components include *complete study and analysis report to explore the possibility of converting the Existing Power Distribution System with a viable option to provide a centralized Power Distribution System (Substation)*. The short listing will be done based on Consultant’s qualification, past record, financial soundness, reputation of quality work with timely delivery. The Rector in his entire discretion, will invite proposals from shortlisted consultants. FCC will reserve the undisputable right to accept or reject all or any EOI/Proposal and may award the work to any consultant according to the best interest of FCC as determined by the Rector.

Interested consultants are invited to register their interest for participation in the project implementation by sending the following information.

Name, address, telephone, fax numbers, e-mail address and nature of the company

Ownership and Organizational Structure of the consultant.

Name and address of the company’s bank along with a certificate of financial soundness from the bank and Financial Statement Summary for the past three years.

NTN with copies of tax returns of last three years.

List of major (similar) assignments under-taken over the past 10 years.

Completion certificates from clients.

Names and Short CVs of Principal Staff.

Litigation History if any

Names and addresses of at least three works which can be visited by FCC

The deadline for receipt of EOI/Applications is (day/month/year). EOI/Applications received after this date shall not be entertained. Only the firms with demonstrated experience in similar assignments will be considered and notified for further participation in the selection process. Interested firms should address their inquiries and submit their applications to the following address:-
