Major CGPA 2.0+

To find major CGPA:  
 Add grade points awarded for all BIOL/BIOT courses taken. This is on your transcript.  
 Write that total here

Add the number of credits ATTEMPTED (this is the first column... NOT credits earned) for all BIOL/BIOT courses taken. Write that total here

Divide the total grade points awarded by the total number of credits attempted.  
 That is your major CGPA.
