

“BCS (HONS) DEGREE”.

COURSE ROAD MAP FALL 2022

Courses in dark print should be taken in the semester noted or earlier (if all prerequisites have been met). Taking them later may result in a delayed graduation as they are prerequisite for later courses.

This is a recommended order for taking General Education courses. Students may change the order but should complete all general education requirements as soon as possible.

Freshman Year

Semester 1

UNIV 100

WRCM 101

COMP 102 (GE)

CSCS 105 (GE)

MATH 111 or STAT 115 (GE)

Summer Semester

2 Gen Ed (NOT Math and Science)

Semester 2

WRCM 102

COMP 111

MATH 111 or STAT 115 or COMP 113 (GE)

COMP 497A

Major Elective

COMP 311

COMP 451

Elective

Semester 8

COMP 497B

COMP 421

Major Elective

Major Elective

Elective

This plan will equal 135 credits. These courses should be taken as close to the order listed as possible. If changes need to be made, consult the catalog to take courses that are prerequisite to later courses first.

The completion of 132 credit hours is required. See details regarding Degree Requirements in Catalog 2022-2023.
