I feel privileged that I got a chance to be a part of FCC. Not only has it helped me grow as a person but I have also been given an opportunity to represent the potential that my province Balochistan has. My ambition is to help the poor people of Balochistan and provide them with better opportunities of education so that they can excel in life too.

## UBL

UBL begun with a vision, of unparalleled progress and unmatched excellence. 7 November 1959, was not just the inauguration of UBL's first branch at II Chundrigar; it was also the birth of the culture of service, innovation and of financial excellence!

By June 1960, shortly after six months, UBL had branches in Karachi, Dacca, Lahore, Lyallpur, Chittagong and Narayanganj. In 1963, UBL became the first bank in Pakistan to have a branch overseas in London, United Kingdom. In 1967, UBL introduced computer banking to Pakistan and in 1971, it launched 3 online branches in Karachi. UBL also launched supervised credit and small loan schemes for small to medium sized firms as well as agriculture and had made for itself, a strong international presence through branches in 4 continents.

Throughout its history, UBL has kept pace with the changing needs of changing times. UBL introduced Pakistan's first credit card, in 70's and launched the Pak Rupees traveler cheques in 1971. UBL was also the first bank to have an Islamic banking division and e-banking facilities for Hajj.

In the 1990's the government of Pakistan decided to privatize UBL. With implementation of relevant changes, the government privatized the bank in the year 2002 – Best way and Al Ayaan collaborated, forming the cornerstone for the UBL of tomorrow. 52 years into its glorious history – UBL is now part of one of the world's largest financial services groups.

## UBL and FCC

UBL has been an active supporter for the cause of education and has been partnering with FCC since 2012. Up till now, it has provided financial support for 229 students through its annual scholarship at FCC. It has also partnered with FCC for the extension project of the Business and Social Sciences Building. FCC thanks UBL for its generous contribution.
