FORMAN CHRISTIAN COLLEGE
(A CHARTERED UNIVERSITY)

Message from the Rector

Dr James A Tebbe

I want to express my thanks to you who give to make FC College what it is today. Forman Christian College has been providing a high-quality education for young men and women for 152 years. Tens of thousands, over one and one half centuries, have graduated from this institution, many of them going on to achieve greatness. It is our commitment to carry this legacy forward. Once a Formanite, always a Formanite. Students may graduate and leave the beautiful, 104-acre campus but Forman Christian College's values and higher order thinking skills stay with them for life.

In the last 13 years, as the University has once again surged ahead with growth in programs, numbers of students, faculty and new buildings, our mission statement has been in keeping with this long tradition "to impart, create and disseminate knowledge and to develop informed, ethical and responsible citizens who are prepared and committed to learn, lead and serve; persons who exemplify the Forman Christian College motto, "By love serve one another".

Despite all the changes, the overall mission of Forman Christian College has not changed. Many of you know this tradition well from the time you have studied here. It is in keeping with this great tradition that we move into the future and I want to thank you for your encouragement, your trust and your support.

God bless you!

Message from the Chief Advancement Officer **Mrs Yvette M Jones**

As many of you already know that Forman Christian College (A Chartered University) can only achieve its mission of transforming lives in Pakistan with your financial support. Your generous contribution enables us to spread hope to our students who aspire to improve their socio-economic status in Pakistan. Without friends and partners like you there would be no hope for a better Pakistan. I believe the hope we instill in this generation will have a major impact on our future and the future of this country.

If you invest in empowering others to reach their full potential, they will return the same. The law of reciprocity proves this point: when someone gives you something you feel an obligation to give back. At whatever level you give to impact the life of another, you will receive the same proportion back in this life. Therefore, give big and watch the big impact you have on the life of our students. This is an acceptable saying: "It is more blessed to give than to receive."

I heard a statement in a movie that I found to be very profound along these lines of which I will be paraphrasing, "It is not what you give that matters but the lives you have impacted and change for good." So, make this next year a year of equal sacrifice, not equal giving and change the lives of those who walk through the gates of Forman Christian College. The benefits you receive outweigh the size of your donation. Thank you for the support you have given and will give in the future to empower the lives served by FCCU.

Like every year, Forman Christian College (A Chartered University) continues its heritage of upholding the cause of education to change the lives of the needy students. We are thankful to our donors who have always supported this cause with enthusiasm.

Thank you donors! You have through your generosity shown what the University motto stands for, 'By love serve one another.'

Each year, we acknowledge your generosity by publishing the names of those who have given gifts. The gift levels comprise of ten levels of gifts recognition designations. The list of Forman Society members and their gifts are listed in the following pages.

In our country there is a vast mismatch between those who deserve to succeed and those who buy their way into success. Within our midst, the power of money and the power of influence, subdues and stifles talent. Injustice at all levels has held back so many brilliant students from achieving their goals and gaining their maximum potential. My contributions - minuscule as these are in comparison to others - symbolize my commitment to enable someone that has been held back by poverty, distance, neglect and injustice for so long; to have an opportunity and to realize their academic dreams.

BS (Honors) Chemistry, 2018

Coming from a middle class family, I know the value and the importance of education. The only way we can get some standing in the society or in our professional life is when we get education.

By coming to this University I have come to experience the real meaning of FCCU's motto which is 'by love serve, one another'. FCCU helped me a great deal to pursue my education. I am grateful to the donors to who have been funding the Tuition Support Program for helping students like me.

BS (Honors) Business, 2018

Every day, every minute, every second, all the students present here including me are getting closer to our goals. I see myself as a Human Resource Manager in an organization in the future and I know I will get there. This wouldn't have been possible without our worthy donors.

The best way to thank you would be by becoming good and successful persons in the professions that we will pursue in the future. We guarantee that we will not let you down. We will work hard, study well and make you proud.

Criterion for Financial Aid

Forman Christian College (A Chartered University) follows strict criteria to ensure that only those students, who truly deserve it, receive financial aid. The applicants are required to maintain 2.0 CGPA to be considered eligible for receiving financial assistance. For each applicant we check the following:

- Family size
- Source(s) of income
- Living standards
- Family assets
- Family debts/ Other issues
- Education expenses of the student and their sibling(s)
- Verification of the documents and information provided

As a policy Forman Christian College does not discriminate on the basis of religion, gender, ethnicity or caste.

Stewardship

All of our donors, irrespective of their contribution level, are important for us. We believe that every gift you give has the potential to impact and transform lives. This is why we ensure that transparency is maintained in the disbursement of funds. Our Financial Aid Office carefully scrutinizes applications so that financial aid is distributed to only those who truly deserve it.
