GENERAL EDUCATION PLAN / CHECKLIST   (Fall 2023)

Dear Advisees,

- General Education is one of the degree requirements. Therefore, it is advised to plan it well with the help of your Advisor (UNIV100 Instructor) and complete it within first four semesters in order to avoid any discrepancy and complete your respective degree on time.

Some guidelines:
- All courses must be of 3 credit hours or above. Two Science courses must be of 4 credits with labs.
- Register appropriate Math course according to your placement.
- See details regarding Exemptions, Transfer Credits, A-Level Based Credits in your Catalog.
- It is advised not to repeat the course(s) which are transferred or qualify for credits on the basis of A-Level Exam.
- Any course taken (including major) may fulfill the requirement and courses taken for Major will also count towards the requirements of General Education in that category and the credits will be counted towards Major.
