

# **LANG 2011FA Final Exam Result and Next Course Placement**

## **Exam Held: 14 February 2012**

Students worked hard this semester in LANG. Congratulations to those who will take ENGL 101 in the spring. Students who need to take another semester of LANG are encouraged to become better English speakers, listeners, readers and writers. Strong English skills are necessary to do well at Forman Christian College (A Chartered University). They are also needed to succeed in the global marketplace and in post-graduate studies.

Students who need to take LANG 110 in 2012SP should contact their advisor as soon as possible. They should register for LANG 110 and drop all other courses except one. They can take one course in addition to LANG 110. Advisors can give feedback on the English skills in which students need to improve. Students receive credit only for the last time that they take either LANG 100 or LANG 110. These results are final. If you have questions, talk to your advisor.
