

Light of Hope School

We focus to provide quality education at minimal cost to children who would not have an opportunity to get any education. Thereby, creating contributing citizens with a better life style than their predecessors, capable of serving others and themselves.

We strive to be recognized as a quality institution aiming to better the lot of the less deserving strata of our society. The goal is to matriculate students capable of entering our “intermediate” program on merit

Core Functions:

Very broadly, the core functions of the Light of Hope School include:

- Maintaining student records
- Handling admissions
- Arranging Parent Teacher Conferences
- Assigning duties to support staff
- Preparing and disseminating relevant memos/notices for students and parents
- Maintaining records of work study/volunteer, and teaching practice students
- Arranging annual academic functions and programs
- Assigning break time, home time duties to teachers
- Counseling students
- In-service teacher training
