minor in Political Science is PLSC 101). 3 courses from (300-400) level must be taken for a minor in Political Science. (Note: Any course prerequisites must be taken into consideration).

## Major CGPA 2.0+

To find major CGPA:

Add grade points awarded for all PLSC courses taken. This is on your transcript. Write that total here \_\_\_\_\_\_.

Add the number of credits ATTEMPTED (this is the first column... NOT credits earned) for all PLSC courses taken. Write that total here \_\_\_\_\_.

Divide the total grade points awarded by the total number of credits attempted. That is your major CGPA.
